

Read Along with Great Fiction Titles

REAL Actors, REAL Sound Effects

AV² Fiction Readalong uses the highest quality audio, featuring real actors and sound effects.

Highlighted Sentences

Every sentence is highlighted as it is read aloud. If users are reading at their own pace and struggle with a particular sentence, all they have to do is scroll over it to access audio support.

Read to Me

When users click on Read to Me, the entire story is read to them and pages are turned automatically.

Read by Myself

Allows users to read at their own pace. Users can have individual sentences read aloud as needed.

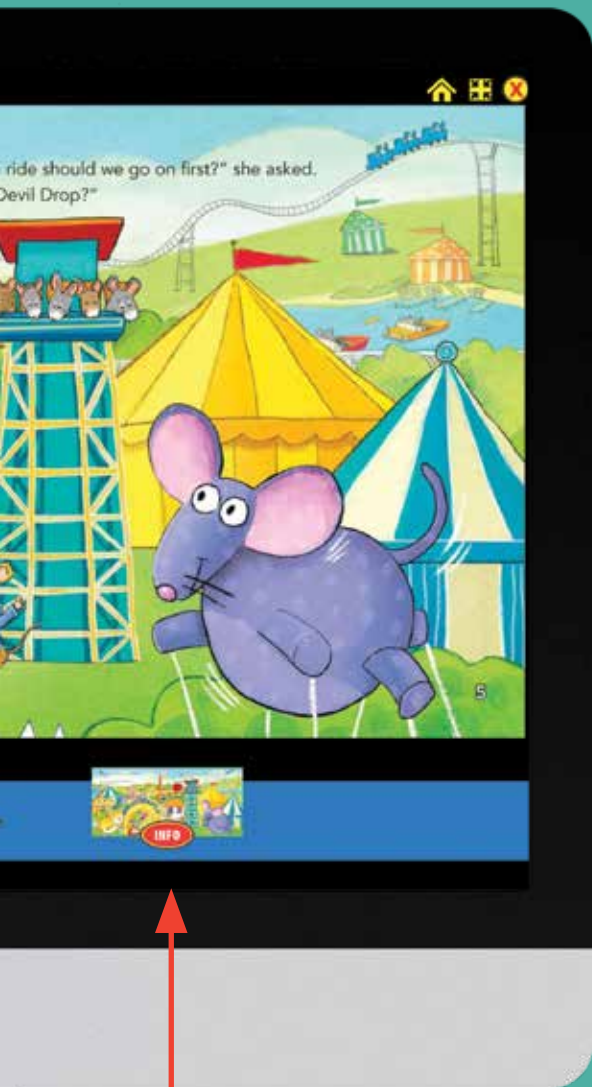

AV² Fiction Readalong Controls

This intuitive design allows the user to go back and forth through the pages and turn audio on or off.

Bringing Books to Life

Each AV² Fiction Readalong title has a unique code on page 2. By entering the code at www.av2books.com, users can read along with their book with no login required.

Title Information

Gives information about the author and illustrator, along with a list of related titles.
